Re: Mileage Reimbursement Rate for Fiscal Year 2024, Second Quarter

The Office of Budget and Management completed the quarterly review of the mileage reimbursement rate as required in the OBM Travel Rule and determined that the rate will remain at \$.58 per mile on October 1, 2023, for the remainder of the second quarter for FY 2024.

If this rate in any way conflicts with the provisions of a current collective bargaining agreement, the terms of the collective bargaining agreement shall prevail.

Please continue to control travel expenses by using fleet vehicles for official travel whenever possible, and following restrictions set by DAS regarding mileage reimbursement pursuant to [ORC Section 125.832](#).

If you have questions regarding the mileage reimbursement rate, please contact Chris Sargent at Christopher.Sargent@obm.ohio.gov or 614-338-4724.
