Minutes of November 28, 2022 Meeting

The Ohio Public Facilities Commission held a meeting commencing at 10:00 a.m. on Monday, November 28, 2022, in the 35th Floor Conference Room, Office of Budget and Management (OBM), James A. Rhodes Office Tower, 30 East Broad Street, Columbus, Ohio, pursuant to notice of meeting given by the Secretary pursuant to Ohio Administrative Code 151-1-01 and the Commission Bylaws.

[Copies of the items marked * are attached hereto and made a part of these minutes.]

Pursuant to Section 151.02 of the Ohio Revised Code (O.R.C.) and Section 3.2 of the Bylaws, Ms. Herrmann, as Governor DeWine's designee, presided as Chair of the meeting and called the meeting to order.

On behalf of the Secretary, Michael Babin, Assistant Secretary, reported that no new designations, pursuant to O.R.C. § 151.02 and Section 2.1 of the Bylaws, were filed since the last meeting of the Commission.

Upon roll call, the Chair declared a quorum to be present. The following members and designees of the members of the Commission, eligible to vote at the meeting, were present during the meeting:

Rachel Herrmann, Chairman, Office of the Governor
Kimberly Murnieks, Secretary, Office of Budget and Management
Jonathan Azoff, Treasurer, Office of Treasurer of State
Shawn Busken, Office of the Attorney General
Tim Keen, Office of the Auditor of State
Deckard Stanger, Office of Secretary of State

Mr. Babin filed the certificate of compliance* at request of the Chair with the Commission's rule for notification of meetings to the public and news media.

Ms. Herrmann submitted for discussion minutes of the Commission's June 21, 2022 meeting for approval. There being no discussion, Ms. Murnieks moved, seconded by Mr. Azoff, to approve those minutes. The motion was approved as follows: Ayes – Herrmann, Murnieks, Azoff, Stanger, Busken, and Keen; Nays – None. The Chair declared the motion passed and the minutes approved.

Ms. Herrmann next invited Commission staff to provide a presentation on Resolution 2022-5*, providing for the sale and issuance of up to \$200,000,000 in Infrastructure Improvement General Obligation Bonds, Series 2022A.

Diane Chime, Chief of Capital Markets at the Ohio Office of Budget and Management, made the staff presentation to the Commission pertaining to the Resolution. Her presentation included

explanation of the purpose of the Infrastructure Improvement Program, as well as the other components of the prospective issuance. Ms. Chime recommended that Loop Capital Markets serve as Senior Underwriter, JPMorgan serve as Co-Senior, Fifth Third Securities, KeyBanc Capital Markets Inc., Stifel Financial Corp., Huntington Capital Markets, and Siebert Williams Shank & Co. serve as Co-Managers, Frost Brown Todd serve as Bond Counsel, and Acacia Financial Group serve as Financial Advisor to the Commission for the transaction. Following the presentation, Mr. Azoff asked if the proposed financing team was largely the same as the one assembled for a prior approved, but yet to be executed, OPFC issuance earlier in 2022, and Ms. Chime responded affirmatively.

Ms. Herrmann followed the presentation with a motion to adopt Resolution 2022-5, seconded by Ms. Murnieks. Upon roll call, the motion was approved as follows: Ayes – Herrmann, Murnieks, Azoff, Stanger, Busken, and Keen; Nays – None.

Next, the Chair invited Commission staff to present on Resolution 2022-6*, providing for the sale and issuance of not to exceed \$66,000,000 in Infrastructure Improvement General Obligation Refunding Bonds, Series 2022B; Resolution 2022-7*, providing for the sale and issuance of not to exceed \$70,000,000 in Infrastructure Improvement General Obligation Refunding Bonds, Series 2022C; Resolution 2022-8*, providing for the sale and issuance of not to exceed \$30,000,000 in Conservation Projects General Obligation Refunding Bonds, Series 2022A; and Resolution 2022-9*, providing for the sale and issuance of not to exceed \$74,000,000 in Common Schools General Obligation Refunding Bonds, Series 2022A.

Ms. Chime again presented on behalf of Commission staff. She explained that the OPFC has \$6.4 billion general obligation debt outstanding, with over \$200 million callable this fiscal year. Ms. Chime stated staff is recommending, the approval of these 4 resolutions to provide for tax-exempt refunding of a portion of this outstanding debt, to be combined with the sale of the infrastructure improvement bonds. In addition, Ms. Chime explained that, given the dynamics of the larger interest rate environment, the State is working with its financial advisor to determine the optimal selection of candidates from the series included in those resolutions, to be refunded via the issuance, as certain coupon rates are no longer economically advantageous for the State. Ms. Chime explained that all of the proposed bonds are eligible to be called on or after March 1, 2023.

Following the presentation, Mr. Keen asked Ms. Chime a clarifying question about the amounts in total. Ms. Chime responded that there is approximately \$220 million in callable debt. Mr. Azoff then asked a question about coupon structure of the bonds related to the remaining callable debt. There were no further questions.

Ms. Herrmann followed the presentation with a motion to adopt Resolution 2022-6, seconded by Ms. Murnieks. Upon roll call, the motion was approved as follows: Ayes – Herrmann, Murnieks, Azoff, Stanger, Busken, and Keen; Nays – None.

Ms. Herrmann moved to adopt Resolution 2022-7, seconded by Ms. Murnieks. Upon roll call, the motion was approved as follows: Ayes – Herrmann, Murnieks, Azoff, Stanger, Busken, and Keen; Nays – None.

Ms. Herrmann moved to adopt Resolution 2022-8, seconded by Ms. Murnieks. Upon roll call, the motion was approved as follows: Ayes – Herrmann, Murnieks, Azoff, Stanger, Busken, and Keen; Nays – None.

Ms. Herrmann moved to adopt Resolution 2022-9, seconded by Ms. Murnieks. Upon roll call, the motion was approved as follows: Ayes – Herrmann, Murnieks, Azoff, Stanger, Busken, and Keen; Nays – None.

Lastly, the Chair again invited Commission staff to present on Resolution 2022-10*, providing for the redemption of certain outstanding Natural Resources General Obligation Bonds, Series S. Ms. Chime again presented on behalf of Commission staff. She explained that given the relatively small size of the outstanding Natural Resource debt in question, the more prudent economic course of action for the State was to redeem with cash rather than issue refunding bonds. Mr. Azoff asked for clarification on the par amount contemplated within the resolution, which Ms. Chime confirmed was \$3.365 million. There were no further questions.

Following the presentation, Ms. Herrmann moved to adopt Resolution 2022-10, seconded by Ms. Murnieks. Upon roll call, the motion was approved as follows: Ayes – Herrmann, Murnieks, Azoff, Stanger, Busken, and Keen; Nays – None.

There being no further business, the meeting was adjourned.

There are initially no credit or liquidity providers or debt service reserves applicable to the Series 2022A Bonds, or any property (except the Special Funds) securing repayment of those Bonds, and there is no trustee for the Series 2022A Bonds.

(b) General. For the benefit of the Registered Owners and beneficial owners of the Series 2022A Bonds, the Commission agrees on behalf of itself and the State, in accordance with this Section 9, to provide or cause to be provided Annual Information, audited financial statements and notices as referred to below in this Section.

The Commission determines and represents that the State (including, for this purpose, the Commission) is and will be the only Obligated Person with respect to the Series 2022A Bonds at the time those Bonds are delivered to the Original Purchaser, and that no other person is reasonably expected to become an Obligated Person any time after issuance of those Bonds.

The Director and OBM shall have the responsibility for the compliance by the State and the Commission with their agreements under this Section, and the Director shall establish procedures in order to ensure that compliance. Reference is made to the “Statement” of the Director that follows the signature line on this Resolution.

(c) Provision of Annual Information; Audited Financial Statements.

(i) The Commission agrees to provide or cause to be provided to the MSRB through its Electronic Municipal Market Access (EMMA) system:

- (A) Annual Information for each Fiscal Year (beginning with the Fiscal Year in which the Delivery Date occurs) not later than the Filing Date for that Fiscal Year.
- (B) When and if available, audited general purpose financial statements of the State for each Fiscal Year prepared in accordance with the Accounting Principles. The Commission expects that audited statements will be prepared and available separately from the Annual Information.

(ii) The Commission expects that Annual Information will be provided directly by the State through OBM, and may be provided in part by cross-reference to other documents, such as the State's Comprehensive Annual Financial Reports and subsequent final official statements relating to other State bonds, that may be provided to the MSRB, and that the audited general purpose financial statements will be provided directly by the State through OBM.

(d) Notice of Specified Events; Changes in Accounting Principles or Fiscal Year.

The Commission agrees to provide or cause to be provided to the MSRB through its EMMA system, all in a timely manner:

- (i) Notice of the occurrence of any Specified Event within 10 business days of its occurrence.
- (ii) Notice of failure to provide or cause to be provided the Annual Information by the Filing Date.

(e) Enforcement. Registered Owners or beneficial owners of Series 2022A Bonds may institute and maintain proceedings to enforce the obligations under the Continuing Disclosure Agreement. The right of the Registered Owners or beneficial owners to enforce any provision of the Continuing Disclosure Agreement, and their means to address any failure to comply with any provision of the Continuing Disclosure Agreement, may be limited to a right to enforce to the extent permitted by law (by mandamus, or other suit, action or proceeding at law or in equity) the obligations of the Commission and State under that Agreement.

(f) Amendment. The Continuing Disclosure Agreement may be amended, and the Commission may obtain the waiver of noncompliance with any provision of that Agreement, as may be necessary or appropriate for any of the following:

- To achieve compliance with any federal securities law or rule.
- To cure any ambiguity, inconsistency or formal defect or omission.
- To address any change in circumstances arising from a change in legal requirements, change in law, or change in the identity, nature, or status of the Obligated Person.

Any such amendment or waiver shall not be effective unless the Continuing Disclosure Agreement (as amended or taking into account such waiver) would have complied with the requirements of the Rule at the time of the primary offering of the Series 2022A Bonds, after taking into account any applicable amendments to or official interpretations of the Rule, as well as any change in circumstances, and until the Commission shall have received either:

(i) A written opinion of nationally recognized bond counsel selected by the Commission that the amendment or waiver would not materially impair the interests of Registered Owners or beneficial owners of the Series 2022A Bonds.

(ii) The written consent to the amendment, or waiver, by the Registered Owners of at least a majority of the then Aggregate Outstanding Principal Amount of the Series 2022A Bonds.

Except in the case as provided for in clause (ii), any such amendments shall be by resolution adopted by the Commission.

(g) Term. The obligations of the Commission and State under this Section 9 shall remain in effect only for such period that the Series 2022A Bonds are outstanding in accordance with their terms and the State remains an Obligated Person with respect to those Bonds within the meaning of the Rule.

(h) Source of Payments. The performance of the Commission's obligations under this Continuing Disclosure Agreement shall be subject to the biennial appropriation by the General Assembly of moneys for the applicable purposes, and, if and to the extent applicable, to Section 126.07 of the Revised Code. Costs and expenses under this Continuing Disclosure Agreement do not and shall not constitute general obligations of the State.

(i) Beneficiaries. The agreements in and pursuant to this Section 9 shall inure solely to the benefit of the Registered Owners and beneficial owners of the Series 2022A Bonds including owners of book entry interests in them, and shall not create any rights in any other person.

Section 10. Confirmation and Ratification. The use and distribution of the preliminary official statement relating to the original issuance of the Series 2022A Bonds as described in the Bond Purchase Agreement in the form now on file with the Commission is approved and is a "deemed final" official statement (except for permitted omissions under the Rule), by the Commission as of its date for purposes of the Rule. The Secretary shall, on behalf of the Commission, and in her official capacity, complete that preliminary official statement with such modifications, changes and supplements as she shall approve or authorize for the purpose of preparing and determining, and to certify or otherwise represent, that the official statement is a final official statement for purposes of the Rule.

The Secretary is authorized to and shall use and distribute, or authorize the use and distribution of the final official statement and supplements thereto in connection with the original issuance of the Series 2022A Bonds as may in her judgment be necessary or appropriate. The Secretary shall sign and deliver, on behalf of the Commission, and in her official capacity, such certificates in connection with the accuracy of the final official statement and any amendment thereto as may, in her judgment, be necessary or appropriate.

The Commission hereby authorizes all other actions by the Secretary, the Assistant Secretary and the Director, and others acting for and at her direction, and of Commission officers and members (and their designees), in connection with the authorization, issuance, sale and distribution of the Series 2022A Bonds.

Section 11. Repeal of Resolution No. 2022-1. This Commission determines that the provisions of this Resolution supersede the provisions of Resolution No. 2022-1 adopted on January 20, 2022, and Resolution No. 2022-1 is hereby repealed.

Section 12. Open Meeting. It is found and determined that all formal actions of the Commission (there being no Commission committees) concerning and relating to the adoption of this Resolution were adopted in an open meeting of the Commission, and that all deliberations of the Commission that resulted in those formal actions were in meetings open to the public, all in compliance with the law, including Section 121.22 of the Revised Code.

Failure of the Issuer to comply with any provision of that Continuing Disclosure Agreement shall not constitute a default with respect to, or in any way impair the obligation of or security for, the Series 2022B Bonds. The obligations of the Issuer under the Continuing Disclosure Agreement are determined and acknowledged to be acts specifically enjoined by the law as a duty resulting from an office, trust or station within the meaning of Section 2731.01 of the Revised Code.

- To cure any ambiguity, inconsistency or formal defect or omission.
- To address any change in circumstances arising from a change in legal requirements, change in law, or change in the identity, nature, or status of the Obligated Person.

Any such amendment or waiver shall not be effective unless the Continuing Disclosure Agreement (as amended or taking into account such waiver) would have complied with the requirements of the Rule at the time of the primary offering of the Series 2022B Bonds, after taking into account any applicable amendments to or official interpretations of the Rule, as well as any change in circumstances, and until the Commission shall have received either:

(i) A written opinion of nationally recognized bond counsel selected by the Commission that the amendment or waiver would not materially impair the interests of Registered Owners or beneficial owners of the Series 2022B Bonds.

officer signing it; the approval of those changes and completions, and the determination that they are not inconsistent with this Resolution and not substantially adverse to the State, shall be conclusively evidenced by that signing of that Agreement. The Chair or the Secretary may also determine in the Certificate of Award the name and designation of the series of bonds.

The Treasurer as Bond Registrar is authorized and directed to authenticate and deliver the Series 2022C Bonds, upon the payment of that purchase price plus accrued Interest, if any. Subject to the terms of this Resolution and the Bond Purchase Agreement (including the Certificate of Award attached thereto), the Secretary, the Assistant Secretary, the Director, and others acting for and at her direction, and members and officers of the Commission are further authorized and directed:

- To execute such other documents, certifications, financing statements, assignments and instruments as are necessary or appropriate to consummate the transactions contemplated by this Resolution and the Bond Purchase Agreement.
- To take all other actions and make all other arrangements necessary for the authorization, execution, authentication, registration, issuance, sale and delivery of the Series 2022C Bonds to the Original Purchaser in accordance with this Resolution and the Bond Purchase Agreement (including the Certificate of Award attached thereto).

(c) **Ratings.** The Director is authorized to apply for and obtain ratings of the Series 2022C Bonds by Fitch Ratings, Moody's Investors Service, Inc., and S&P Global Ratings.

(d) **Form and Denominations.** The following provisions apply to the Series 2022C Bonds:

(i) They shall be issued in fully registered form, shall be negotiable instruments subject to registration and issuance in a book entry form as provided in Section 4, and shall be numbered in such manner as to distinguish each Series 2022C Bond from any other Series 2022C Bond.

(ii) They shall be dated as of the Delivery Date, and shall bear Interest (computed on the basis of a 360-day year consisting of twelve 30-day months) payable on the Interest Payment Dates from the most recent date to which Interest has been paid or provided for, or if no Interest has been paid or provided for, then from their date to the Registered Owner as of the Regular Record Date applicable to that Interest Payment Date.

(iii) Except as provided in Section 4, there shall be a single Bond for each maturity (and interest rate within a maturity, if applicable) of the Series 2022C Bonds, and they shall be issued in denominations of \$5,000 or whole multiples of \$5,000. They shall be issued for holding in a book entry system, all as further provided for in Section 4.

(e) **Interest Rates and Principal Maturities.** The Series 2022C Bonds shall mature in the years and in the principal amounts, shall bear Interest and shall be subject to mandatory sinking fund redemption, all as to be determined in the Certificate of Award; provided, however, that the all in true interest costs of the Series 2022C Bonds shall not exceed 5.50%. The final maturity of the Series 2022C Bonds shall not be later than September 1, 2031.

(f) **Stated Purpose.** All Series 2022C Bonds shall express on their faces that they are issued pursuant to the Act, the General Bond Resolution, this Resolution and the Certificate of Award, and for the purpose of providing moneys to pay costs of public infrastructure capital improvement projects of local subdivisions as authorized by the Act by refunding obligations heretofore issued for that purpose.

(g) **Optional Redemption.** The Series 2022C Bonds of the interest rates and maturities, if any, specified in the Certificate of Award shall be subject to redemption by and at the sole option of the Commission, in whole or in part (as selected by the Commission) in authorized denominations, on the dates, in the years and at the redemption prices determined by the Chair or the Secretary in the Certificate of Award, plus, in each case, accrued interest to the redemption date.

Section 4. Book Entry; Replacement Bonds. The Series 2022C Bonds shall be issued only to a Depository for holding in a book entry system, and:

- Shall be registered in the name of the Depository or its nominee, as Registered Owner, and immobilized in the custody of the Depository.
- Shall not be transferable or exchangeable, except for transfer to another Depository or to another nominee of a Depository, without further action by the Commission.

The owners of book entry interests will have no right to receive Series 2022C Bonds in the form of physical securities or certificates. Ownership of book entry interests shall be shown by book entry on the system maintained and operated by the Depository and its participants, and transfers of the ownership of book entry interests shall be made only by book entry by the Depository and its participants.

If any Depository determines not to continue to act as a Depository for the Series 2022C Bonds for holding in a book entry system or if the Commission determines to withdraw the Series 2022C Bonds from a Depository, the Commission may attempt to have established a securities depository/book entry system relationship with another qualified Depository. If the Commission does not or is unable to do so, the Commission, after making provision for notification of the owners of book entry interests by appropriate notice to the then Depository and any other arrangements it considers necessary, shall permit withdrawal of the Series 2022C Bonds from the Depository, and authenticate and deliver Series 2022C Bond certificates in fully registered form to the assigns of the Depository or its nominee, and if the event is not the result of Issuer action or inaction all at the cost and expense (including any costs of printing) of those persons requesting that authentication and delivery. Series 2022C Bond certificates authenticated and delivered pursuant to this paragraph shall be in the denomination of \$5,000 or any whole multiple of \$5,000.

The Director and the Treasurer, and any person acting for either of them, are each authorized and directed to sign and deliver on behalf of the Commission a representation letter to the Depository generally relating to the book entry system as referred to in this Resolution.

Section 5. Allocation of Net Proceeds. The Net Proceeds of the Series 2022C Bonds, after depositing those amounts required pursuant to Section 6, shall be allocated to and deposited as follows:

- To the Escrow Account, those portions of the proceeds to be used to refund the Refunded Bonds and to pay any other costs as provided in the Escrow Agreement. That portion of the proceeds to be used to refund the Refunded Bonds shall be that amount which, together with any other moneys provided for the purpose under this Resolution and the Escrow Agreement, is sufficient or required to purchase the Escrow Securities, certified by an independent public accounting firm of national reputation or equivalent expert to be of such maturities and interest payment dates and to bear such interest or other investment income as will, without further investment or reinvestment of either the principal amount of or the interest earnings from them, be sufficient (together with any other moneys held for that purpose) for the payment, when due, of all Debt Service to the date or respective dates of maturity or redemption, as the case may be, of those Refunded Bonds, and with that prior redemption being as provided in Section 10, and of any other costs as provided in the Escrow Agreement.
- To the Bond Service Fund, any remaining Series 2022C Bond proceeds, to be applied to the payment of Debt Service.

Section 6. Cost of Issuance Fund. There is hereby created as a Special Fund for purposes of the Series 2022C Bonds the “Infrastructure Improvement General Obligation Refunding Bonds, Series 2022C, Cost of Issuance Fund”. That Fund is to be maintained for up to six months in the custody of the Treasurer as a separate fund. The Treasurer shall deposit in that Fund from the Series 2022C Bond proceeds the amount reasonably determined to be necessary to pay Financing Costs payable by the Issuer.

The Treasurer, as Treasurer of the Commission, shall make payment from the Series 2022C Cost of Issuance Fund of all Financing Costs incurred in connection with the Series 2022C Bonds that are payable from that Fund. The Commission orders payments of those Financing Costs from that Fund upon the vouchers, invoices and statements for payment approved by the Office of Budget and Management.

Any moneys remaining in the Series 2022C Cost of Issuance Fund after the payment or provision for payment of all the Financing Costs payable from it shall be deposited in the Bond Service Fund. In the event that the amount initially deposited in the Series 2022C Cost of Issuance Fund is insufficient to pay all those Financing Costs, then there shall be transferred to the Series 2022C Cost of Issuance Fund from the Bond Service Fund the additional amount necessary to pay all remaining Financing Costs.

Section 7. Covenants and Warrants. The Issuer warrants and covenants that:

- It is, and upon delivery of the Series 2022C Bonds will be, duly authorized by the laws of the State, including particularly and without limitation the Act, to issue the Series 2022C Bonds and to execute and deliver the Bond Purchase Agreement, the Escrow Agreement and the Certificate of Award in accordance with the provisions of the General Bond Resolution and this Resolution, and to provide the security for payment of Debt Service on the Series 2022C Bonds in the manner and to the extent set forth in the applicable Bond Proceedings.
- All actions on the Issuer's part necessary for the issuance of the Series 2022C Bonds and the execution and delivery of the Bond Purchase Agreement, the Escrow Agreement and the Certificate of Award have been or will be duly and effectively taken.

Section 8. Tax Covenants. The Issuer covenants that it will use, and will restrict the use and investment of, the proceeds of the Series 2022C Bonds in such manner and to such extent as may be necessary so that:

(i) The Series 2022C Bonds will not constitute private activity bonds or arbitrage bonds under Section 141 or 148 of the Code, respectively, or be treated other than as bonds the Interest on which is excluded from gross income under Section 103 of the Code.

(ii) The Interest on the Series 2022C Bonds will not be an item of tax preference under Section 57 of the Code for the purposes of the alternative minimum tax.

The Issuer also covenants that:

- It will take or cause to be taken such actions that may be required of it for the Interest on the Series 2022C Bonds to be and remain excluded from gross income for federal income tax purposes.
- It will not take or authorize to be taken any actions that would adversely affect that exclusion.
- It, or persons acting for it, will, if necessary among other acts of compliance:
 - Apply the proceeds of the Series 2022C Bonds to the governmental purposes of the borrowing.
 - Restrict the yield on investment property.
 - Make timely and adequate payments to the federal government.

- Maintain books and records and make calculations and reports.
- Refrain from certain uses of those proceeds and, as applicable, of property financed with such proceeds.

all in such manner and to the extent necessary to assure that exclusion of that Interest under the Code.

Each covenant made in this Section with respect to the Series 2022C Bonds is also made with respect to the Refunded Bonds to the extent such compliance is necessary to assure exclusion of Interest on the Series 2022C Bonds from gross income for federal income tax purposes, and the officers identified above are authorized to take actions with respect to those issues as they are authorized in this Section to take with respect to the Series 2022C Bonds.

The Director or the Treasurer is each authorized to do all of the following:

- Make or effect any election, selection, designation, choice, consent, approval or waiver on behalf of the Issuer with respect to the Series 2022C Bonds as the Issuer is permitted to make or give under the federal income tax laws, including, without limitation, any of the elections provided for in Section 148(f)(4)(C) of the Code or available under Section 148 of the Code, for the purpose of assuring, enhancing or protecting favorable tax treatment or status of the Series 2022C Bonds or Interest on them or assisting compliance with requirements for that purpose, reducing the burden or expense of such compliance, reducing the rebate amount or payments of penalties with respect to the Series 2022C Bonds, or making payments of special amounts in lieu of making computations to determine, or paying, excess earnings as rebate, or obviating those amounts or payments, with respect to the Series 2022C Bonds, which action shall be in writing and signed by that officer.
- Take any and all other actions, make or obtain calculations, make payments, and make or give reports, covenants and certifications of and on behalf of the Issuer, as may be appropriate to assure the exclusion of Interest from gross income and the intended tax status of the Series 2022C Bonds, all subject to the Treasurer's responsibilities under Section 151.01(S) of the Revised Code.

Give one or more appropriate certificates, for inclusion in the transcript of proceedings for the Series 2022C Bonds, setting forth the reasonable expectations of the Issuer regarding the amount and use of all the proceeds of the Series 2022C Bonds, the facts, circumstances and estimates on which they are based, and other facts and circumstances relevant to the tax treatment of the Interest on and the tax status of the Series 2022C Bonds.

Section 9. Continuing Disclosure Agreement. The Issuer, for the benefit of the Registered Owners and beneficial owners of the Series 2022C Bonds, makes the Continuing Disclosure Agreement as provided for in this Section and formed by this Section and the Continuing Disclosure Certificate incorporated herein by reference (collectively, the "Continuing Disclosure Agreement") and to be signed by the Director, all in accordance with Section 126.11 of the Revised Code, and the Issuer covenants to comply with that Continuing Disclosure Agreement.

Failure of the Issuer to comply with any provision of that Continuing Disclosure Agreement shall not constitute a default with respect to, or in any way impair the obligation of or security for, the Series 2022C Bonds. The obligations of the Issuer under the Continuing Disclosure Agreement are determined and acknowledged to be acts specifically enjoined by the law as a duty resulting from an office, trust or station within the meaning of Section 2731.01 of the Revised Code.

- To cure any ambiguity, inconsistency or formal defect or omission.
- To address any change in circumstances arising from a change in legal requirements, change in law, or change in the identity, nature, or status of the Obligated Person.

Any such amendment or waiver shall not be effective unless the Continuing Disclosure Agreement (as amended or taking into account such waiver) would have complied with the requirements of the Rule at the time of the primary offering of the Series 2022C Bonds, after taking into account any applicable amendments to or official interpretations of the Rule, as well as any change in circumstances, and until the Commission shall have received either:

(i) A written opinion of nationally recognized bond counsel selected by the Commission that the amendment or waiver would not materially impair the interests of Registered Owners or beneficial owners of the Series 2022C Bonds.

If it is determined by the Director to be in the best interests of the Commission and the State to optionally redeem the Refunded Bonds with legally available funds instead of with the proceeds of the Series 2022C Bonds, the Director is authorized to deposit with the Treasurer, as Bond Registrar of the Refunded Bonds, the amount necessary to provide for the payment of all principal and accrued Interest on the Refunded Bonds, in accordance with the General Bond Resolution, Resolution No. 2015-8 adopted by the Commission on September 15, 2015, which authorized the issuance of the Refunded Bonds, to make and perfect that call for prior redemption.

(f) Sources of Funds. On the date of delivery and payment for the Series 2022C Bonds, the Treasurer or the Escrow Agent, as applicable, is directed to receive (i) that portion of the proceeds of the Series 2022C Bonds described in Section 5, or (ii) those legally available funds described in Section 10(a), in accordance with the General Bond Resolution and this Resolution, as applicable.

Those proceeds of the Series 2022C Bonds or legally available funds deposited with the Escrow Agent shall, as to be further provided for in the Escrow Agreement, be invested, contemporaneously with the delivery of and payment for the Series 2022C Bonds, in direct obligations of the United States certified to be sufficient for the purposes of refunding or redeeming the Refunded Bonds as provided in this Resolution, the General Bond Resolution and the Escrow Agreement.

(g) Prior Redemption of Refunded Bonds. Section 11. Confirmation and Ratification. The use and distribution of the preliminary official statement relating to the original issuance of the Series 2022C Bonds as described in the Bond Purchase Agreement in the form now on file with the Commission is approved and is a "deemed final" official statement (except for permitted omissions under the Rule), by the Commission as of its date for purposes of the Rule. The Secretary shall, on behalf of the Commission, and in her official capacity, complete that preliminary official statement with such modifications, changes and supplements as she shall approve or authorize for the purpose of preparing and determining, and to certify or otherwise represent, that the official statement is a final official statement for purposes of the Rule.

(ii) They shall be dated as of the Delivery Date, and shall bear Interest (computed on the basis of a 360-day year consisting of twelve 30-day months) payable on the Interest Payment Dates from the most recent date to which Interest has been paid or provided for, or if no Interest has been paid or provided for, then from their date to the Registered Owner as of the Regular Record Date applicable to that Interest Payment Date.

- Shall not be transferable or exchangeable, except for transfer to another Depository or to another nominee of a Depository, without further action by the Commission.

The owners of book entry interests will have no right to receive Series 2022A Bonds in the form of physical securities or certificates. Ownership of book entry interests shall be shown by book entry on the system maintained and operated by the Depository and its participants, and transfers of the ownership of book entry interests shall be made only by book entry by the Depository and its participants.

If any Depository determines not to continue to act as a Depository for the Series 2022A Bonds for holding in a book entry system or if the Commission determines to withdraw the Series 2022A Bonds from a Depository, the Commission may attempt to have established a securities depository/book entry system relationship with another qualified Depository. If the Commission does not or is unable to do so, the Commission, after making provision for notification of the owners of book entry interests by appropriate notice to the then Depository and any other arrangements it considers necessary, shall permit withdrawal of the Series 2022A Bonds from the Depository, and authenticate and deliver Series 2022A Bond certificates in fully registered form to the assigns of the Depository or its nominee, and if the event is not the result of Issuer action or inaction all at the cost and expense (including any costs of printing) of those persons requesting that authentication and delivery. Series 2022A Bond certificates authenticated and delivered pursuant to this paragraph shall be in the denomination of \$5,000 or any whole multiple of \$5,000.

The Director and the Treasurer, and any person acting for either of them, are each authorized and directed to sign and deliver on behalf of the Commission a representation letter to the Depository generally relating to the book entry system as referred to in this Resolution.

Section 5. Allocation of Net Proceeds. The Net Proceeds of the Series 2022A Bonds, after depositing those amounts required pursuant to Section 6, shall be allocated to and deposited as follows:

- To the Escrow Account, those portions of the proceeds to be used to refund the Refunded Bonds and to pay any other costs as provided in the Escrow Agreement. That portion of the proceeds to be used to refund the Refunded Bonds shall be that amount which, together with any other moneys provided for the purpose under this Resolution and the Escrow Agreement, is sufficient or required to purchase the Escrow Securities, certified by an independent public accounting firm of national reputation or equivalent expert to be of such maturities and interest payment dates and to bear such interest or other investment income as will, without further investment or reinvestment of either the principal amount of or the interest earnings from them, be sufficient (together with any other moneys held for that purpose) for the payment, when due, of all Debt Service to the date or respective dates of maturity or redemption, as the case may be, of those Refunded Bonds, and with that prior redemption being as provided in Section 10, and of any other costs as provided in the Escrow Agreement.

- To the Bond Service Fund, any remaining Series 2022A Bond proceeds, to be applied to the payment of Debt Service.

Section 6. Cost of Issuance Fund. There is hereby created as a Special Fund for purposes of the Series 2022A Bonds the “Conservation Projects General Obligation Refunding Bonds, Series 2022A, Cost of Issuance Fund”. That Fund is to be maintained for up to six months in the custody of the Treasurer as a separate fund. The Treasurer shall deposit in that Fund from the Series 2022A Bond proceeds the amount reasonably determined to be necessary to pay Financing Costs payable by the Issuer.

The Treasurer, as Treasurer of the Commission, shall make payment from the Series 2022A Cost of Issuance Fund of all Financing Costs incurred in connection with the Series 2022A Bonds that are payable from that Fund. The Commission orders payments of those Financing Costs from that Fund upon the vouchers, invoices and statements for payment approved by the Office of Budget and Management.

Any moneys remaining in the Series 2022A Cost of Issuance Fund after the payment or provision for payment of all the Financing Costs payable from it shall be deposited in the Bond Service Fund. In the event that the amount initially deposited in the Series 2022A Cost of Issuance Fund is insufficient to pay all those Financing Costs, then there shall be transferred to the Series 2022A Cost of Issuance Fund from the Bond Service Fund the additional amount necessary to pay all remaining Financing Costs.

Section 7. Covenants and Warrants. The Issuer warrants and covenants that:

- It is, and upon delivery of the Series 2022A Bonds will be, duly authorized by the laws of the State, including particularly and without limitation the Act, to issue the Series 2022A Bonds and to execute and deliver the Escrow Agreement, Bond Purchase Agreement and the Certificate of Award in accordance with the provisions of the General Bond Resolution and this Resolution, and to provide the security for payment of Debt Service on the Series 2022A Bonds in the manner and to the extent set forth in the applicable Bond Proceedings.
- All actions on the Issuer’s part necessary for the issuance of the Series 2022A Bonds and the execution and delivery of the Escrow Agreement, Bond Purchase Agreement and the Certificate of Award have been or will be duly and effectively taken.
- When executed, authenticated and delivered, the Series 2022A Bonds, and when executed and delivered the Escrow Agreement and the Bond Purchase Agreement, will each be valid and enforceable general obligations of the State according to their terms.

Section 8. Tax Covenants. The Issuer covenants that it will use, and will restrict the use and investment of, the proceeds of the Series 2022A Bonds in such manner and to such extent as may be necessary so that:

- (i) The Series 2022A Bonds will not constitute private activity bonds or arbitrage bonds under Section 141 or 148 of the Code, respectively, or be treated other than

as bonds the Interest on which is excluded from gross income under Section 103 of the Code.

(ii) The Interest on the Series 2022A Bonds will not be an item of tax preference under Section 57 of the Code for the purposes of the alternative minimum tax.

The Issuer also covenants that:

- It will take or cause to be taken such actions that may be required of it for the Interest on the Series 2022A Bonds to be and remain excluded from gross income for federal income tax purposes.
- It will not take or authorize to be taken any actions that would adversely affect that exclusion.
- It, or persons acting for it, will, if necessary among other acts of compliance:
 - Apply the proceeds of the Series 2022A Bonds to the governmental purposes of the borrowing.
 - Restrict the yield on investment property.
 - Make timely and adequate payments to the federal government.
 - Maintain books and records and make calculations and reports.
 - Refrain from certain uses of those proceeds and, as applicable, of property financed with such proceeds.

all in such manner and to the extent necessary to assure that exclusion of that Interest under the Code.

Each covenant made in this Section with respect to the Series 2022A Bonds is also made with respect to the Refunded Bonds to the extent such compliance is necessary to assure exclusion of Interest on the Series 2022A Bonds from gross income for federal income tax purposes, and the officers identified above are authorized to take actions with respect to those issues as they are authorized in this Section to take with respect to the Series 2022A Bonds.

The Director or the Treasurer is each authorized to do all of the following:

- Make or effect any election, selection, designation, choice, consent, approval or waiver on behalf of the Issuer with respect to the Series 2022A Bonds as the Issuer is permitted to make or give under the federal income tax laws, including, without limitation, any of the elections provided for in Section 148(f)(4)(C) of the Code or available under Section 148 of the Code, for the purpose of assuring, enhancing or protecting favorable tax treatment or status of the Series 2022A Bonds or Interest on them or assisting compliance with requirements for that purpose, reducing the burden or expense of such compliance, reducing the rebate amount or payments of penalties with respect to the Series 2022A Bonds, or making payments of special

amounts in lieu of making computations to determine, or paying, excess earnings as rebate, or obviating those amounts or payments, with respect to the Series 2022A Bonds, which action shall be in writing and signed by that officer.

- Take any and all other actions, make or obtain calculations, make payments, and make or give reports, covenants and certifications of and on behalf of the Issuer, as may be appropriate to assure the exclusion of Interest from gross income and the intended tax status of the Series 2022A Bonds, all subject to the Treasurer's responsibilities under Section 151.01(S) of the Revised Code.

Give one or more appropriate certificates, for inclusion in the transcript of proceedings for the Series 2022A Bonds, setting forth the reasonable expectations of the Issuer regarding the amount and use of all the proceeds of the Series 2022A Bonds, the facts, circumstances and estimates on which they are based, and other facts and circumstances relevant to the tax treatment of the Interest on and the tax status of the Series 2022A Bonds.

Section 9. Continuing Disclosure Agreement. The Issuer, for the benefit of the Registered Owners and beneficial owners of the Series 2022A Bonds, makes the Continuing Disclosure Agreement as provided for in this Section and formed by this Section and the Continuing Disclosure Certificate incorporated herein by reference (collectively, the "Continuing Disclosure Agreement") and to be signed by the Director, all in accordance with Section 126.11 of the Revised Code, and the Issuer covenants to comply with that Continuing Disclosure Agreement.

Failure of the Issuer to comply with any provision of that Continuing Disclosure Agreement shall not constitute a default with respect to, or in any way impair the obligation of or security for, the Series 2022A Bonds. The obligations of the Issuer under the Continuing Disclosure Agreement are determined and acknowledged to be acts specifically enjoined by the law as a duty resulting from an office, trust or station within the meaning of Section 2731.01 of the Revised Code.

- To cure any ambiguity, inconsistency or formal defect or omission.
- To address any change in circumstances arising from a change in legal requirements, change in law, or change in the identity, nature, or status of the Obligated Person.

Any such amendment or waiver shall not be effective unless the Continuing Disclosure Agreement (as amended or taking into account such waiver) would have complied with the requirements of the Rule at the time of the primary offering of the Series 2022A Bonds, after taking into account any applicable amendments to or official interpretations of the Rule, as well as any change in circumstances, and until the Commission shall have received either:

(i) A written opinion of nationally recognized bond counsel selected by the Commission that the amendment or waiver would not materially impair the interests of Registered Owners or beneficial owners of the Series 2022A Bonds.

Except in the case as provided for in clause (ii), any such amendments shall be by resolution adopted by the Commission.

(g) Term. The obligations of the Commission and State under this Section 9 shall remain in effect only for such period that the Series 2022A Bonds are outstanding in accordance with their terms and the State remains an Obligated Person with respect to those Bonds within the meaning of the Rule.

(h) Source of Payments. other investment income as will, without further investment or reinvestment of either the principal amount of or the interest earnings from them, be sufficient (together with any other moneys held for that purpose) for the payment, when due, of all Debt Service to the date or respective dates of maturity or redemption, as the case may be, of those Refunded Bonds, and with that prior redemption being as provided in Section 10, and of any other costs as provided in the Escrow Agreement.

Section 6. Cost of Issuance Fund. There is hereby created as a Special Fund for purposes of the Series 2022A Bonds the “Common Schools General Obligation Refunding Bonds, Series 2022A, Cost of Issuance Fund”. That Fund is to be maintained for up to six months in the custody of the Treasurer as a separate fund. The Treasurer shall deposit in that Fund from the Series 2022A Bond proceeds the amount reasonably determined to be necessary to pay Financing Costs payable by the Issuer.

The Treasurer, as Treasurer of the Commission, shall make payment from the Series 2022A Cost of Issuance Fund of all Financing Costs incurred in connection with the Series 2022A Bonds that are payable from that Fund. Any moneys remaining in the Series 2022A Cost of Issuance Fund after the payment or provision for payment of all the Financing Costs payable from it shall be deposited in the Bond Service Fund. In the event that the amount initially deposited in the Series 2022A Cost of Issuance Fund is insufficient to pay all those Financing Costs, then there shall be transferred to the Series 2022A Cost of Issuance Fund from the Bond Service Fund the additional amount necessary to pay all remaining Financing Costs.

Section 7. Covenants and Warrants. The Issuer warrants and covenants that:

- It is, and upon delivery of the Series 2022A Bonds will be, duly authorized by the laws of the State, including particularly and without limitation the Act, to issue the Series 2022A Bonds and to execute and deliver the Bond Purchase Agreement, the Escrow Agreement and the Certificate of Award in accordance with the provisions of the General Bond Resolution and this Resolution, and to provide the security for payment of Debt Service on the Series 2022A Bonds in the manner and to the extent set forth in the applicable Bond Proceedings.

Section 8. Tax Covenants. The Issuer covenants that it will use, and will restrict the use and investment of, the proceeds of the Series 2022A Bonds in such manner and to such extent as may be necessary so that:

(i) The Series 2022A Bonds will not constitute private activity bonds or arbitrage bonds under Section 141 or 148 of the Code, respectively, or be treated other than as bonds the Interest on which is excluded from gross income under Section 103 of the Code.

(ii) The Interest on the Series 2022A Bonds will not be an item of tax preference under Section 57 of the Code for the purposes of the alternative minimum tax.

The Issuer also covenants that:

- It will take or cause to be taken such actions that may be required of it for the Interest on the Series 2022A Bonds to be and remain excluded from gross income for federal income tax purposes.
- It will not take or authorize to be taken any actions that would adversely affect that exclusion.
- It, or persons acting for it, will, if necessary among other acts of compliance:

all in such manner and to the extent necessary to assure that exclusion of that Interest under the Code.

Each covenant made in this Section with respect to the Series 2022A Bonds is also made with respect to the Refunded Bonds to the extent such compliance is necessary to assure exclusion of Interest on the Series 2022A Bonds from gross income for federal income tax purposes, and the officers identified above are authorized to take actions with respect to those issues as they are authorized in this Section to take with respect to the Series 2022A Bonds.

The Director or the Treasurer is each authorized to do all of the following:

- Make or effect any election, selection, designation, choice, consent, approval or waiver on behalf of the Issuer with respect to the Series 2022A Bonds as the Issuer is permitted to make or give under the federal income tax laws, including, without limitation, any of the elections provided for in Section 148(f)(4)(C) of the Code or available under Section 148 of the Code, for the purpose of assuring, enhancing or protecting favorable tax treatment or status of the Series 2022A Bonds or Interest on them or assisting compliance with requirements for that purpose, reducing the burden or expense of such compliance, reducing the rebate amount or payments of penalties with respect to the Series 2022A Bonds, or making payments of special amounts in lieu of making computations to determine, or paying, excess earnings as rebate, or obviating those amounts or payments, with respect to the Series 2022A Bonds, which action shall be in writing and signed by that officer.
- Take any and all other actions, make or obtain calculations, make payments, and make or give reports, covenants and certifications of and on behalf of the Issuer, as may be appropriate to assure the exclusion of Interest from gross income and the intended tax status of the Series 2022A Bonds, all subject to the Treasurer's responsibilities under Section 151.01(S) of the Revised Code.
- Give one or more appropriate certificates, for inclusion in the transcript of proceedings for the Series 2022A Bonds, setting forth the reasonable expectations of the Issuer regarding the amount and use of all the proceeds of the Series 2022A Bonds, the facts, circumstances and estimates on which they are based, and other facts and circumstances relevant to the tax treatment of the Interest on and the tax status of the Series 2022A Bonds.

Section 9. Continuing Disclosure Agreement. The Issuer, for the benefit of the Registered Owners and beneficial owners of the Series 2022A Bonds, makes the Continuing Disclosure Agreement as provided for in this Section and formed by this Section and the Continuing Disclosure Certificate incorporated herein by reference (collectively, the "Continuing Disclosure Agreement") and to be signed by the Director, all in accordance with Section 126.11 of the Revised Code, and the Issuer covenants to comply with that Continuing Disclosure Agreement.

Failure of the Issuer to comply with any provision of that Continuing Disclosure Agreement shall not constitute a default with respect to, or in any way impair the obligation of or security for, the Series 2022A Bonds. - To cure any ambiguity, inconsistency or formal defect or omission.
- To address any change in circumstances arising from a change in legal requirements, change in law, or change in the identity, nature, or status of the Obligated Person.

Any such amendment or waiver shall not be effective unless the Continuing Disclosure Agreement (as amended or taking into account such waiver) would have complied with the requirements of the Rule at the time of the primary offering of the Series 2022A Bonds, after taking into account any applicable amendments to or official interpretations of the Rule, as well as any change in circumstances, and until the Commission shall have received either:

Those proceeds of the Series 2022A Bonds or legally available funds deposited with the Escrow Agent shall, as to be further provided for in the Escrow Agreement, be invested, contemporaneously with the delivery of and payment for the Series 2022A Bonds, in direct obligations of the United States certified to be sufficient for the purposes of refunding or redeeming the Refunded Bonds as provided in this Resolution, the General Bond Resolution and the Escrow Agreement.
