

Department of Alcohol and Drug Addiction Services

Role and Overview

The [Department of Alcohol and Drug Addiction Services](#) (ODADAS) has been serving Ohio citizens with a comprehensive approach to alcohol and drug addiction since its creation in 1989. The department plans, initiates, and coordinates an extensive system of alcohol and drug addiction services designed to prevent abuse and treat Ohio's addicted populations. The department collaborates extensively with other state and local agencies and treatment/prevention professionals throughout the state to ensure a coordinated effort in achieving its mission.

The director of ODADAS, appointed by the Governor, is supported by a staff of 110 and manages an annual budget of over \$176 million. The department distributes state and federal funds to 50 local Alcohol and Drug Addiction Services and Alcohol, Drug Addiction, and Mental Health Services (ADAS/ADAMHS) boards that contract with approximately 1,072 community programs for alcohol and other drug addiction prevention and treatment services. The boards are required to follow the guidelines established by the department regarding the use of the funds. Approximately half of the department's subsidy funds are distributed to boards throughout the state on a per-capita/needs basis, and the remainder of the funds are provided to specific alcohol and other drug programs. The department also certifies all alcohol and other drug addiction treatment programs and driver intervention programs. In addition, it operates therapeutic community treatment units in two of the state's prisons, the Ohio Reformatory for Women and the Pickaway Correctional Institution.

Executive Priorities for the Department of Alcohol and Drug Addiction Services

- Provide statewide leadership for alcohol and drug prevention.
- Provide alcohol and drug addiction treatment services for the health, safety, and productivity of all Ohioans.

PROGRAM SERIES 01: Prevention Services

The Division of Prevention Services prepares prevention guidelines and reviews and recommends state-funded prevention grants and programs. The division facilitates increased public awareness of the consequences of alcohol and other drug addictions. The division also provides resources and consultation to ADAMHS/ADAS boards and community agencies recommending programs for development and enhancement. The division maintains membership in the National Substance Abuse Prevention Network and acts as liaison with other national, state, and local advocacy groups. Membership allows the division access to their prevention strategies to increase abstinence from alcohol and illicit drug use, defer the onset of alcohol use, eliminate high-risk use of alcohol and other legal drugs, and to impact environmental risk factors related to alcohol, tobacco, and other drugs in Ohio communities.

Program 01.01: Local ADAMHS/ADAS Boards - Prevention

ODADAS allocates prevention funds based on a per capita/needs basis to local ADAMHS/ADAS boards to provide funding to area agencies to support the development of prevention programs in their communities. The boards use the subsidy funds to purchase prevention and intervention services from area agencies.

This program also houses the State Incentive Project that focuses on enhancing the statewide prevention plan and implementing evidence based prevention programs.

What the Budget Buys:

- Funds programming to prevent alcohol, tobacco, and other drug use; and
- Funds prevention activities to raise public awareness of the harmful effects of alcohol, tobacco, and other drug use.

Department of Alcohol and Drug Addiction Services

Program 01.02: Statewide Prevention Services

This program supports four unique but essential prevention programs. The Ohio Resource Network for Safe Drug Free Schools and Communities acts as a drug and alcohol prevention information clearinghouse, providing technical assistance and training. Urban Minority Alcoholism and Drug Abuse Outreach Programs assure culturally appropriate services are provided to minority populations. The Ohio Parents for Drug Free Youth program provides technical assistance and training to colleges, drug free community coalitions, and underage drinking prevention coalitions around Ohio to increase their ability to reduce tobacco and other drugs within their communities. The Head Start Alcohol and Other Drug Prevention program, offered through the University of Cincinnati's College of Education, provides technical assistance and training to Head Start and preschool teachers and administrators throughout the state on how to integrate alcohol, tobacco, and other drug prevention programs within their present curriculum. These four prevention programs support the provision of prevention services at the local level and across the state, reaching Ohioans of all ages.

What the Budget Buys:

- Funds the Ohio Resources Network for Safe Drug-Free Schools and Communities;
- Funds the Urban Minority Alcoholism and Drug Abuse Outreach Program;
- Funds the Ohio Parents for Drug Free Youth Program; and
- Funds the Head Start Alcohol and Other Drug Prevention program through the University of Cincinnati's College of Education.

Program 01.03: School and Community Services

This program supports prevention services through school and community services programs. Prevention at Work is a program that helps businesses to meet the U.S. Department of Transportation and Bureau of Workers' Compensation conditions to be a drug free workplace. The Safe and Drug-Free Schools and Communities program provides school-age children, their families, and educators with prevention activities. Drug Free Community Coalitions assist county alcohol and drug boards develop strategic prevention plans. The Higher Education High Risk Drinking Initiative funds programs at colleges and universities aimed at preventing crime related to underage and adult use of alcohol. Underage Drinking Prevention Programs combat underage drinking through a statewide media campaign "Parents Who Host Lose the Most."

Department of Alcohol and Drug Addiction Services

What the Budget Buys:

- Funds the Prevention at Work Program;
- Funds Safe and Drug-Free Schools and Community programs;
- Funds Drug Free Community Coalitions;
- Funds Community Prevention programs;
- Funds Higher Education High-Risk Drinking Initiatives; and
- Funds Underage Drinking Prevention programs.

TOTAL FOR PROGRAM				6,873,305	6,873,305

Program 01.04: Youth and Family Services

This program supports prevention efforts aimed at youth and families. The Youth Mentoring Program provides youth with an opportunity to interact with an adult or peer mentor to help them make healthy decisions about alcohol, tobacco, and other drug use. The Parent Awareness Task Force provides parents with information to help parents talk to their children about alcohol, tobacco, and other drug use. The Problem Identification and Referral Initiative works with homeless women in Montgomery and Lucas counties to prevent addiction by identifying potential problems.

What the Budget Buys:

- Funds the Youth Mentoring Program;
- Funds the Parent Awareness Task Force; and
- Funds the Problem Identification and Referral Initiative.

PROGRAM SERIES 02: Treatment and Recovery Services

The Division of Treatment and Recovery Services continues ODADAS' role of establishing, promoting, and supporting innovative treatment services for all Ohioans by supporting local alcohol and drug addiction service providers. The division also operates a therapeutic treatment community at the Pickaway Correctional Institution and the Ohio Reformatory for Women.

Program 02.01: Local ADAMHS/ADAS Boards - Treatment

The Alcohol, Drug Addiction, and Mental Health Services/Alcohol and Drug Addiction Services (ADAMHS/ADAS) Board program supports treatment programs for those abusing alcohol and/or other drugs by distributing subsidy funds to local ADAMHS/ADAS boards that then contract with local treatment providers. These funds are used by the ADAMHS/ADAS boards to match federal Medicaid funds and purchase alcohol and other drug treatment services for qualifying individuals.

Department of Alcohol and Drug Addiction Services

What the Budget Buys:

- Matches federal Medicaid funding for prevention and treatment services; and
- Funds subsidy payments to 50 ADAMHS/ADAS boards across the state to purchase treatment services from local providers.

FUND GROUP	FUND	ALI	ALI NAME	RECOMMENDED

Program 02.02: Women's Services Special Grants

The Women's Services Special Grants Program funds a statewide network of 90 gender and culturally specific prevention, outpatient, and residential treatment programs for alcohol and other drug addicted pregnant women, women with dependent children, and female adolescents. Alcohol and other drug treatment services supported with these funds include prevention, detoxification, outpatient, and residential treatment, along with a comprehensive array of support services including housing, childcare, transportation, and case management.

What the Budget Buys:

- Funds 90 programs targeted towards women in the areas of alcohol and drug addiction prevention, outpatient, and residential treatment programs.

TOTAL FOR PROGRAM				16,558,385	16,558,385

Program 02.03: Family and Adolescent Treatment

This program supports a statewide network of developmentally appropriate treatment services for alcohol and other drug abusing youth. This network provides a comprehensive continuum of care including intervention, outpatient, and residential treatment and aftercare. These adolescent-specific programs address the need for specialized services for youth. ODADAS, local ADAS/ADAMHS Boards, and community groups consistently identify this population as a priority.

What the Budget Buys:

- Funds timely access and quality prevention and treatment services to adolescents and their families.

Department of Alcohol and Drug Addiction Services

Program 02.04: Criminal Justice Services

This program supports 21 drug courts, 18 Treatment Alternatives to Street Crime programs, six Therapeutic Communities, and the Second Chance Program. These programs leverage the criminal justice system by bringing case managers, parole officers, judges, and treatment providers together on a collaborative basis, sharing information, to transform substance-abusing offenders into drug-free and crime-free citizens.

What the Budget Buys:

- Funds 21 drug courts serving 2,800 offenders;
- Funds 18 Treatment Alternatives to Street Crime programs serving 10,500 people;
- Funds six Therapeutic Communities serving 1,200 people; and
- Funds the Second Chance Program serving 250 people.

Program 02.06: Special Populations

The Special Populations Program supports services targeted to persons living with HIV/AIDS and those individuals experiencing the co-occurring disorders of alcohol and other drug addiction and severe mental illness.

Department of Alcohol and Drug Addiction Services

What the Budget Buys:

- Funds promote the advancement of evidence-based practices for those individuals experiencing the co-occurring disorders of alcohol and other drug addiction and severe mental illness;
- Funds services designed to aid persons living with HIV/AIDS; and
- Funds subsidies for prevention and treatment to county boards in areas with ten or more cases of HIV/AIDS per 100,000 people.

FUND GROUP	FUND	ALI	ALI NAME	RECOMMENDED	
				FY 2006	FY 2007

TOTAL FOR PROGRAM				285,000	285,000

PROGRAM SERIES 03: Planning, Outcomes, and Research

The Division of Planning, Outcomes, and Research is responsible for running the Synar or Tobacco Law Compliance Program. The Synar program inspects and works with retailers of tobacco products to ensure that Ohio stays in compliance by not selling tobacco products to minors.

Program 03.01: Quality and Compliance Assurance

Federal law requires Ohio to decrease youth access to tobacco. To prevent the loss of the federal Substance Abuse Prevention and Treatment (SAPT) Block Grant revenue that funds alcohol and other drug prevention and treatment services, Ohio must demonstrate an 80 percent or higher compliance rate regarding the sale of tobacco products to minors. Unannounced inspections of retailers that sell tobacco products are conducted annually to determine compliance with this requirement.

What the Budget Buys:

- Funds the Tobacco Law Compliance (Synar) Program that conducts unannounced compliance checks of tobacco retailers to prevent illegal sales to minors.

FUND GROUP	FUND	ALI	ALI NAME	RECOMMENDED	
				FY 2006	FY 2007

TOTAL FOR PROGRAM				300,000	300,000

Department of Alcohol and Drug Addiction Services

PROGRAM SERIES 04: Quality Improvement

The department sets standards for alcohol and drug treatment, methadone, and driver intervention programs for prevention and treatment providers. The Division of Quality Improvement conducts on-site reviews to assess compliance to grant of certification/licensure.

Program 04.01: Technical Assistance and Training

This program provides technical assistance and training as part of the certification and licensure site visit both during and following reviews. Assistance is geared towards areas identified as needing improvement. Individualized technical assistance is also provided upon request. Technical assistance functions are designed to bring provider agencies into compliance with required standards to increase the likelihood that qualified staff provides services in a safe and confidential manner.

What the Budget Buys:

- Enables the department to set prevention and treatment standards and provides training and technical assistance to providers.

FUND GROUP	FUND	ALI	ALI NAME	RECOMMENDED	
				FY 2006	FY 2007

Program 04.02: Certification

The Division of Quality Improvement inspects, certifies, and licenses alcohol and drug addiction treatment programs, methadone programs, and driver intervention programs. The division also develops clinical documentation tools and is responsible for the development of a utilization review of the service system based on the protocols for levels of care placement criteria. Responsibilities also include the coordination of investigations of complaints received from clients, staff, and providers.

What the Budget Buys:

- Funds the department's certification and licensure activities.

FUND GROUP	FUND	ALI	ALI NAME	RECOMMENDED
