K-12 Student Wellness and Success Funding Fiscal Years 2022 - 2023
(Traditional School Districts, Alphabetical by County)

¹ Enrolled ADM represents the students educated in each traditional district for fiscal year 2020 as reported on the Final #2 State Foundation Payment Report. Fiscal year 2020 Enrolled ADM was used for fiscal years 2022 and 2023 Student Wellness and Success Funding estimates due to pandemic related declines in fiscal year 2021 Enrolled ADM for traditional school districts.

² The census poverty percentage is the percentage of the residential population under age 18 living in a household with income below 185% of the Federal Poverty Level as reported in the 2015-2019 American Community Survey 5-year Estimates. This data will be used for the fiscal years 2022 and 2023 Student Wellness and Success Funding.

³ These dollar amounts are estimates based on data provided by the Ohio Department of Education in January 2021. As noted above, estimates for fiscal years 2022 and 2023 are based on fiscal year 2020 Enrolled ADM for traditional districts. Changes in Enrolled ADM in fiscal year 2022 will impact the actual payments that traditional school districts receive. No traditional school district, joint vocational school district, or community school shall receive less than \$45,720 in fiscal year 2022 and \$56,160 in fiscal year 2023, or 100% of what they received in the prior fiscal year.
