# Types of Projects

- Road
- Bridge/Culvert
- Water Supply
- Wastewater
- Stormwater
- Solid Waste

# Grants

## SCIP

- Repair/Replace 90%
- New/Expansion 50%
- Can be combined with loan

## LTIP

- 100%
- Only for road or bridge

# Loans

- SCIP or RLP loan
- 0% interest
- Term: up to 30-years or useful life of project

# Small Government

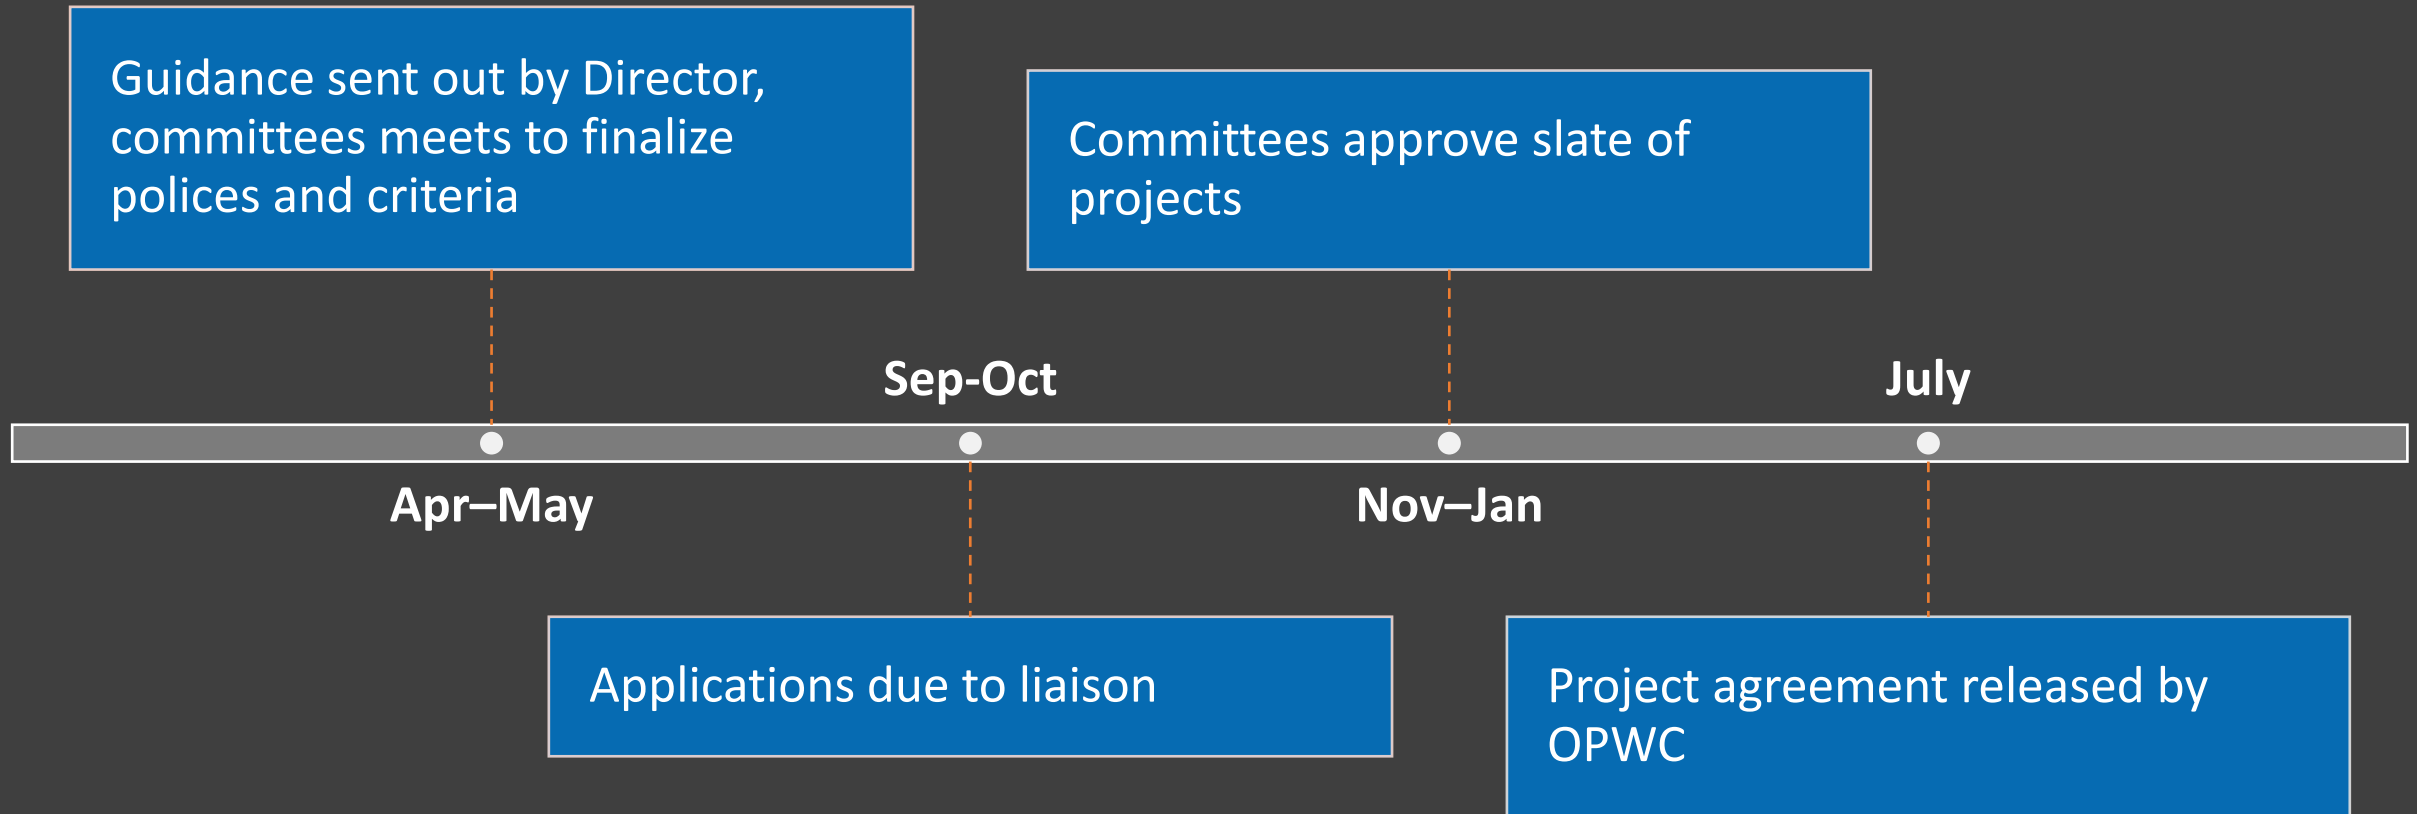

- \$20 million/year
- Second chance statewide competition
- Applicants with population of 5,000 or less
- Each district submits 7 projects

# Policies

- Start construction within 1 year of received agreement
- Completed project within 2 years from starting it
- Extensions approved by Program Rep

# Timeline

# After Project is Released

## Agreements Released July 1st

Agreements are emailed to project CEO for e-signature

**Loan Projects:** CFO e-sign's the promissory note after CEO signs the agreement

## Changes to Project Agreement

Email your Program Rep with any updates to your project officials or project schedule

## Disburse Funds

All disbursements processed through WorksWise.

Include detailed invoices

Proof of payment is required for reimbursement

# WorksWise Portal

- Web based platform
- Launched in August 2021
- Applications, agreements, disbursements will go through this system

Please note, if you are looking to Pay An Invoice electronically, please find your [invoice here](#)

## WorksWise Application/Project Statuses

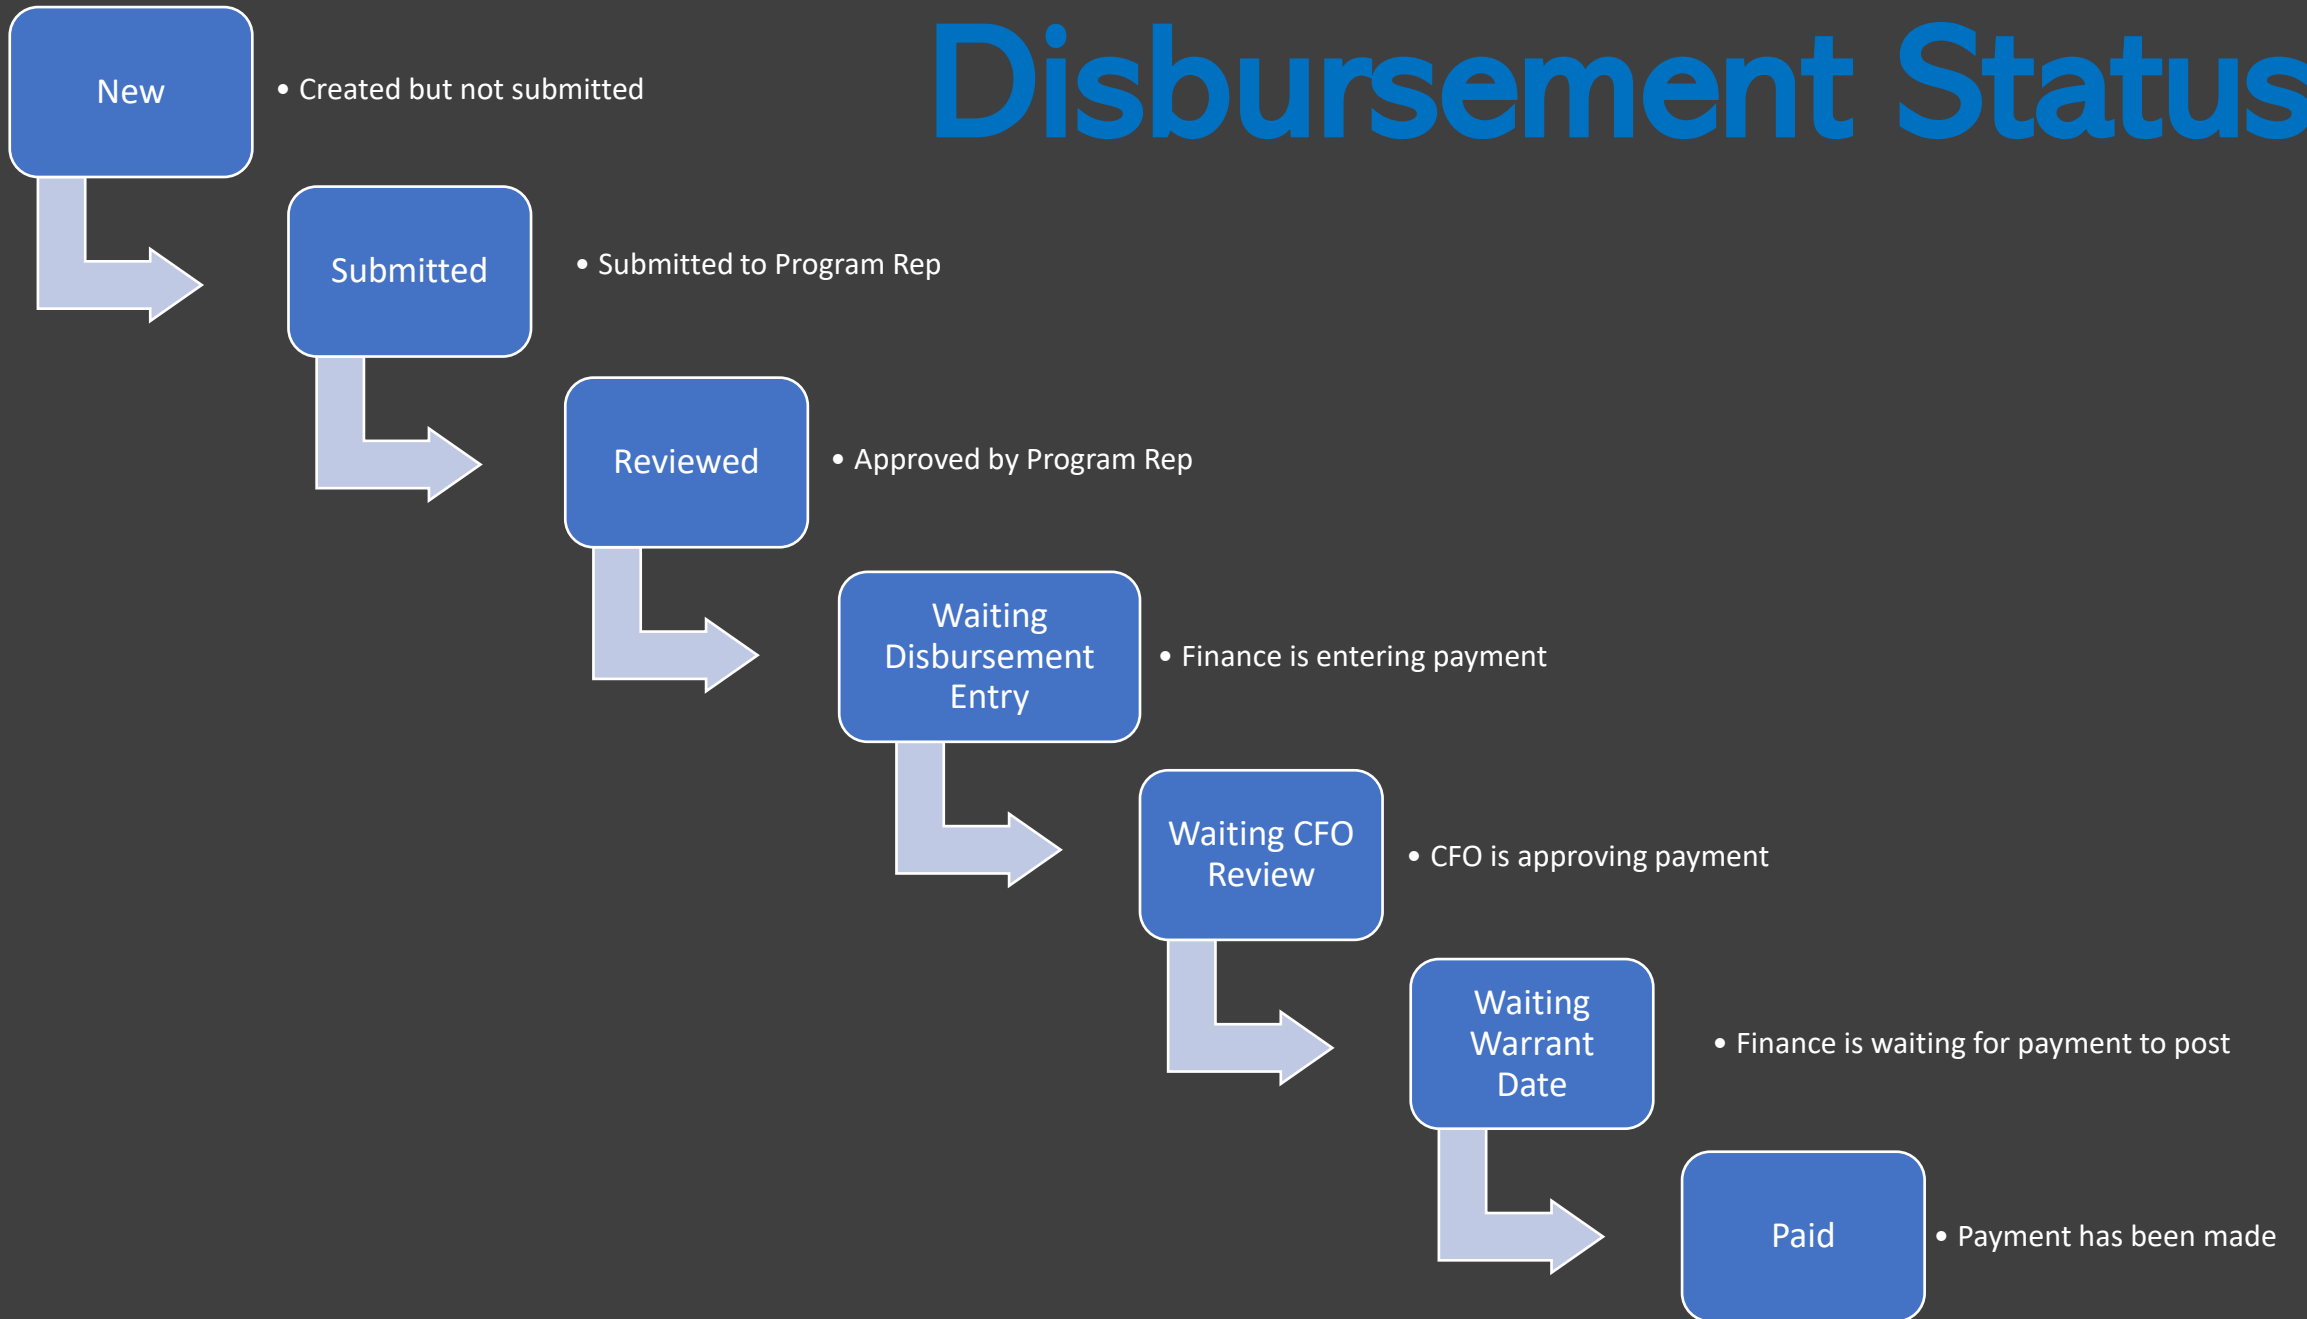

### Color Code

- Applicant "Holds" the application
- Liaison "Holds" the application
- OPWC "Holds" the application
- Final Statuses

# Disbursement Status'

# Emergency Funds

---

- \$12 million/year
- Requires immediate action
- Not for delayed maintenance
- Apply through your program rep

# Clean Ohio

- Acquisition or easement to protect natural areas in perpetuity
- Riparian corridor protection

# Tips for Success

- Know the methodology
- Start application early
- Only submit for projects that are ready to be awarded within a year of release of Agreement
- Be mindful of reasonable engineering costs
