I feel like there were some good tips from other OFA participants who'd attended and had to testify.

### About the Exchange

This site is a resource available to all State of Ohio fiscal staff to share and encourage financial management knowledge exchange. Through the practices shared on this site, State fiscal staff will be able to increase efficiency, share knowledge, and recognize innovation and results that contribute to continuous improvement for the State of Ohio.

A team in the fourth cohort of the Ohio Fiscal Academy proposed the Exchange as their capstone project, and then worked with OBM to bring it to life ([click here to view the OFA capstone projects](#)).
