**FOR THE RECORD:  
AGENCY PURCHASING REQUEST FORM (APR)**

# EXECUTIVE SUMMARY

- Over 230 million dollars spent on Supplies, Materials, and Minor Expenses in fiscal year 2017.
- Necessity to have a standardized and easy-to-use APR form that will cut across the entire State of Ohio agencies.
  - Includes minimum fields/requirements necessary to process.
  - Accessible to ALL employees.
  - Increase efficiency from need to product delivered.
- Reduction in the time used in locating a point of contact to ensure purchase gets taken care of.

# PROBLEM STATEMENT

- Inconsistencies in how State agencies process business transactions.
- Current forms used by agencies are NOT user friendly.
- Results might be the same, but approaches are vastly different.
- Need to educate users on how to use.
- Need to tackle challenges that grow with daily business operation.

# BACKGROUND

- Betsy Bashore, Chief of Value Management Office, OBM.
- Joe Banicki, Agency Engagement Center, OIT, OAKS, DAS.
- DAS 'Quick Wins' team, highly experienced professionals in Information Technology (IT) and Procurement.
  - ✓ Several Projects: APR Form, OIT Release & Permit Form, Buyers Portal, Debarment Process, Complaint to Vendor, and Vendor Verification Form.
- Focus on creating an Agency Purchasing Request Form (APR).
  - ✓ No current standard/universal form.
  - ✓ Compare current agency similarities/differences.

**Ohio.gov**

# STRATEGIES

1. What is the purchasing process for your agency from start to finish? Are there any issues? Please explain?
2. How much paper is involved in your agencies current purchasing process?
3. What would you like to see on an electronic purchasing form?
  - a) Please rank the following fields as High, Medium, or Low importance:

i. Quantity	v. Is This Item on Contract?
ii. Cost	vi. Is It Budgeted?
iii. Item Description	vii. Ship To?
iv. Reason / Justification	viii. Suggested Vendor?
	ix. Other _____

# FINDINGS

- Nearly 5,000 employees
- Full-service facilities in every county
- 12 District Offices
- One (1) Central Finance Office
  - Oversight & guidance of Departmental activities

# PROCESS

- 
- 
- Central Finance Office is final authority.
  - Initiated by Requestor of each respective district.
  - Central Finance Office creates voucher, and generates payment to vendor.
  - Obstacles include Decentralization.
  - Considerable paper still involved in procurement process.

  2. Bureau of Motor Vehicles
  3. Homeland Security
  4. Emergency Management Agency
  5. Emergency Medical Services
  6. Office of Criminal Justice Services

# PROCESS

- 
- 
- Utilizes OAKS on the front end of the purchasing process.
  - Initiated by Requestor, to handle division requests.
  - Enter necessary data into OAKS.
  - Requires knowledge of OAKS to process request.
    - Potential barrier to 'Joe the Plumber' or 'Matt the Maintenance Man'.
  - Considerable paper still involved in procurement process.

# PROCESS

The background of the slide features two golden stick figures running towards the right. They are running on a path composed of interlocking puzzle pieces. The puzzle pieces are arranged in a way that suggests a forward path, with some pieces missing or slightly offset, creating a sense of movement and progress. The figures are stylized and have a metallic gold finish.

- One page Requisition Form (7 field areas) filled out.
  - Routed to management.
  - Finalized at Central Office.
- Central Office has a “Stock Room”.
  - Stock Request Form filled out.
- Concerns:
  1. Lack of communication
  2. Uncertainty with requests
  3. Promptness
- Physical Paper: “paper light” motto.

- Centralized procurement function.
- All requests have dedicated email Inbox or SharePoint Site.
- P-Card heavily utilized for basic purchases.
  - Inventory team deliveries statewide were reduced.
- Pain Points:
  1. Timeliness, especially infrequent items.
  2. Lack of proper notification for purchase needs.
- Still more paper than is desirable.
